

Student Drive Opened Monday Outdoor Mass Planned At Site of Chapel

The
Very Rev. Francis X. Talbot, S.J.

Veterans Contacted With Aid Of Postman

Every veteran student at Loyola College received a special letter last week from Chairman Richard A. Hartman, president of the Loyola College Veteran's Club. The letter stressed the important part which the veteran has played in the post-war era.

The letter urged that the Veterans take a leading part in the student campaign to raise \$10,000 for the Chapel Fund. The letter stressed the imperative need for united action for success.

To the Students of Loyola College

When I became President of Loyola College last summer, I was told by my predecessor, Father Bunn, that the most immediate and most imperative need of Loyola College was that of completing the Memorial Chapel of Our Lady of Evergreen. By my own observations, I am daily more convinced that this Memorial Chapel is the prime need of Loyola College, and that construction must be begun, not sometime in the future, but now in 1948.

The delay in beginning construction has been caused by the increased costs of labor and material. These increased costs must now be met by increased donations. Three-fifths of the amount of money required to cover the cost of construction is on hand or pledged. Two-fifths, about \$200,000.00, is now being sought from friends of Loyola. About two-thirds of the amount of money required for the furnishing of the Memorial Chapel has been donated. One third, about \$50,000.00, is still being sought, for specified objects, such as those listed in another column.

The Students of Loyola College, through the Student Council and the Memorial Chapel Committees, have generously elected to contribute a Specified Gift to the Memorial Chapel, namely, the complete furnishings of the Sanctuary and the Sacristy. The list of furnishings is submitted in another column.

The decision of the Students of 1947-48 to provide for the Divine Services that will be celebrated for the Students of the future, and for themselves as Loyola Alumni, has given me more joy than any event since I have been President. I feel that the entire Student Body is united with me in a determined effort to build a greater Loyola. My successors and your successors will enjoy the harvest of our labors and sacrifices. You and I will have the consolation of knowing that we have been the laborers preparing that harvest generously, it may be, sacrificially. We have the further consolation of knowing that, through decades and decades yet to dawn, our souls, on earth or in eternity, will be remembered at the innumerable Sacrifices of the Mass that will be offered in the Memorial Chapel for those who helped to build it, for God and the Blessed Mother of Evergreen.

FRANCIS XAVIER TALBOT, S. J.

Closing Day For Drive Set For Friday, May 7

Chairman

Student Chairman Richard A. Hartman has called upon the veterans of Loyola College to set the pace in the Student Chapel Drive which extends from Monday, April 26 until Friday, May 7.

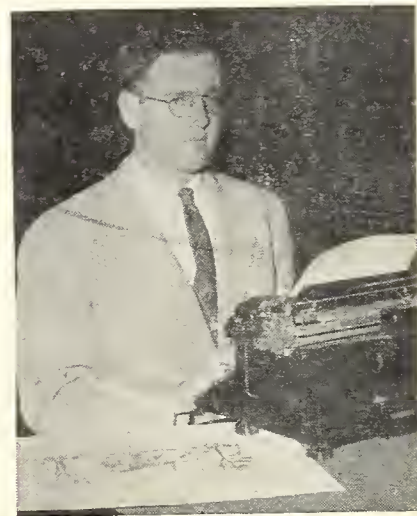

Hartman stressed wholehearted cooperation in the Drive at a meeting of the Committee composed of forty-two students.

The Publicity Committee distributed one thousand pictures of the architect's drawing of the Chapel.

The meeting committee, headed by Paul Feeley, has made arrangements for student meetings with addresses concerning the importance and progress of the Drive.

A large plywood board has been placed outside of the Library Building which will record the progress of the individual classes as well as the outlook for the entire school in reaching the quota of ten thousand dollars.

The Treasurer of the Drive will accept the subscriptions at the Office of the Treasurer on the first floor of the Library Building.

Richard A. Hartman

Queen's Ball Closes Drive

Both ballrooms of the Sheraton-Belvedere Hotel have been rented for the Queen's Ball which will officially bring the Student Chapel Drive to a close on Friday, May 7. The dance will begin at 9:00 p.m. and last until 1:00 a.m.

Johnny Moran and his Orchestra will handle the musical end of the program. Tickets are priced at \$2.50 per couple and may be obtained from any member of the Junior Sodality.

Donate Proceeds

The entire proceeds realized from the Queen's Ball will be donated to the Chapel Drive. No corsages will be allowed at the dance. This custom was introduced at last year's Queen Ball.

Patrons and patronesses of the Ball will be accepted for the program at the price of one dollar. Student patrons are fifty cents.

To Select Aides

Students may submit pictures of their dates so that they may be considered for selection as one of the four aides to the Queen. All pictures will be sent to a group of impartial judges at Georgetown University who will select the aides.

Present plans for the dance include the distribution of favors to the young ladies attending. All pictures submitted to the Junior Sodality will be returned.

Refreshments will be served at the Ball.

Chapel Site To Be Scene Of May First Friday Mass

The Very Rev. Francis X. Talbot, S.J., will celebrate First Friday Mass on May 7 at the proposed site for the Loyola College Memorial Chapel. The entire student body will attend in a body and receive Holy Communion as is the custom on First Friday's.

The Mass will begin the program for the final day of the two week Student Chapel Drive during which the Student Body will have worked for the \$10,000 goal set by the Chapel Committee in conjunction with the Student Council.

Rally Last Friday

Last Friday morning, the official opening of the Drive was held in the Gymnasium at Evergreen at 10:30 a.m. when the student body gathered for the rally. Chairman Richard A. Hartman acted as Master of Ceremonies for the rally.

The keynote address of the rally was delivered by the Very Rev. Francis X. Talbot, S.J., who reiterated the need of Loyola for a Chapel as soon as possible. Father Talbot called upon each and every student to consider it his personal duty and honor to do his part in

contributing towards the success of the drive.

Candidates Speak

The candidates for President of the Student Council and President of the Athletic Association spoke at the assembly and gave their own individual backing to the Chapel Drive.

The entire forty-two men who comprise the Student Chapel Committee were seated on chairs on the floor of the gymnasium in a semi-circle.

Inaugurates Drive

Father Talbot announced that he had already received one hundred and twenty-five dollars towards the Drive.

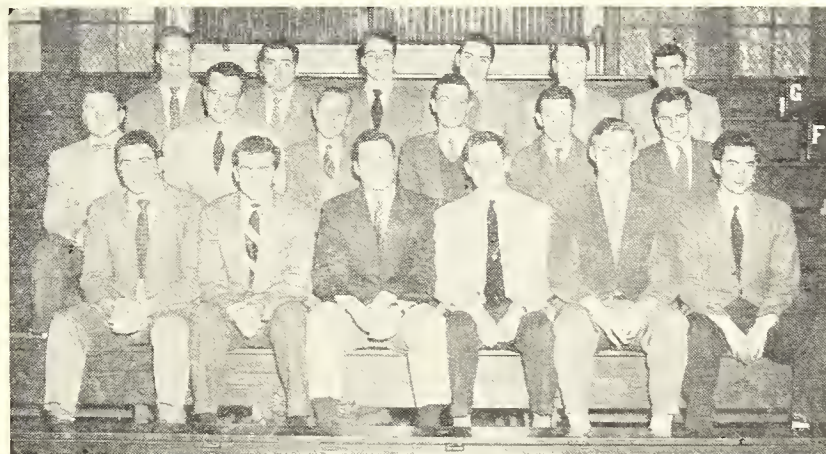

Chairman Hartman officially opened the campaign by giving Father Talbot the first receipt from the twelve thousand printed.

Another special rally has been planned during the week of April 28th during which the Supplement will be distributed.

Remember This Two-Point Program

1. Obtain Your subscriptions for the Drive.
2. Advertise the Chapel Drive as often as possible to as many persons as possible.

These Are Your Key Men

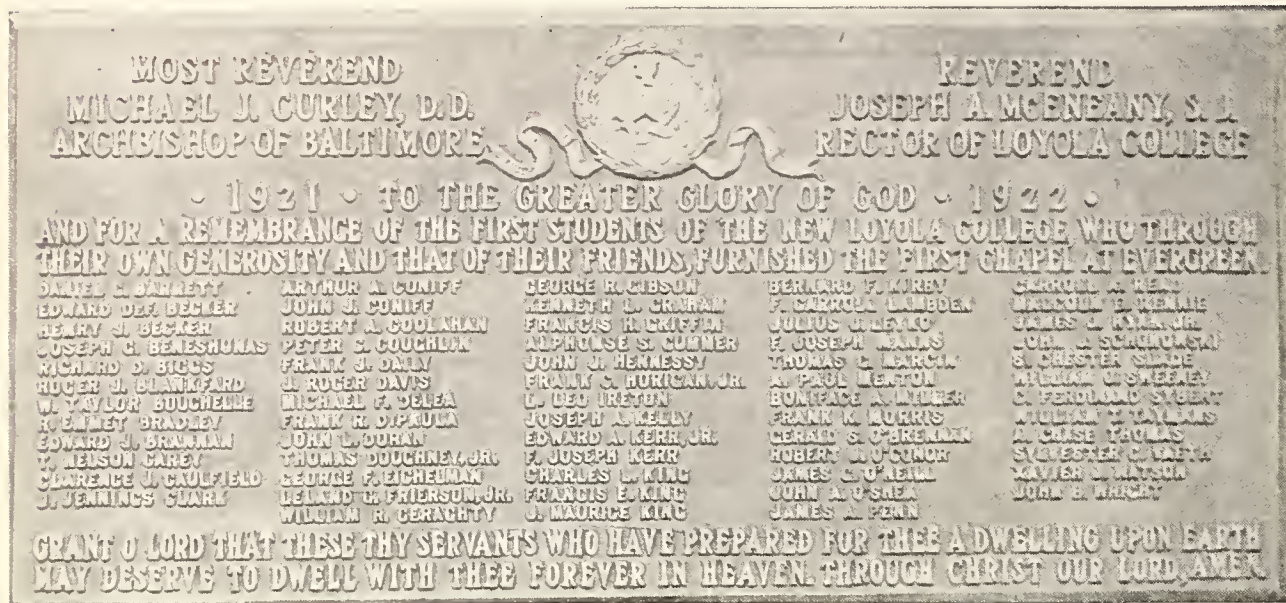

Pictured in the illustration above is a cross section of the Student Chapel Committee. This committee, 42 men in all, has drawn up a closely knit program for conducting the drive.

The organization chart of the Committees is listed on page 4 of this issue.

Do Your Part - Others Will Do More

This Is Past And Present

Shall We Follow Their Example . . . ?

Entire Student Body Gave For First Chapel In 1922

The tablet on the left was erected in honor of the Student Body of Loyola College who contributed towards the construction of a Chapel in what is now the College Faculty House.

At that time, 1922, the entire College attended class in that building and it was there that the Chapel was constructed.

The tablet is bronze, three feet long and one and a half feet high with a width of about $\frac{3}{4}$ of an inch.

In 1922 the entire Student Body consisted of sixty-three boys. Some of the classes had only four and five students.

The inscription below the names is one which would be appropriate for the Loyola Student Body today, "Grant O Lord, That These Thy Servants Who Have Prepared For Thee A Dwelling Upon Earth May Deserve To Dwell With Thee Forever in Heaven. Through Christ Our Lord. Amen."

WHAT LOYOLA NEEDS:

Five Point Program Set For Centennial In 1952

Loyola College needs space and buildings to accommodate and give facilities to a student body of 1,000. It is hoped that, through the generosity of its friends, all or some of the following projects will be completed before the Centennial Year of 1952.

1. Gymnasium Addition

There is needed most urgently an addition to the unfinished Gymnasium. This addition will be on the west wall, and will be about 100 feet square. The basement will be used for a cafeteria, seating approximately 400. The upper floors are destined for alumni rooms, play rooms, athletic offices, students' lounge, etc. It may be necessary, however, in the beginning to use this space for class-rooms. The level of the present gymnasium floor will be used for additional stands for basketball and other games. The main entrance to the Gymnasium Building will be through this western wing. The estimated cost is about \$400,000.00. This building will be erected as soon as the Chapel costs have been safely covered.

2. Administration Building

There is needed an Administration Building. In this will be located the offices of the College Administrators, offices for the Faculty, offices for the Student Publications and Student Activities, and Student Lounge Rooms. No estimate of cost has been made.

3. Class-Room Building

There is needed a large Class-Room Building. With these additional class-rooms, the second floor of the present Library Building could be given over to library use.

4. Scholarship Funds

There are needed large and unlimited gifts to the Endowment and Scholarship Funds. Through these funds, the number of scholarships would be increased.

5. Chapel

But the immediate and greatest need is that of an adequately large Chapel. As planned, the proposed Chapel, on lower and upper floors, would comfortably seat more than 1,100 students. Loyola College, as being a Catholic College, must have a Chapel in order to fulfill its purposes of existence. It must have a chapel large enough for the students to worship God in common. The Chapel is urgently needed for religious services, such as the First Friday Mass, the daily and weekly Masses, Benediction services, Novenas, May Devotions, Sodality Meetings, Alumni Religious Services, etc. The Chapel is badly needed for the Annual Retreats and gatherings of a like nature. All the religious life of the campus normally centers in a Chapel. The religious life of Loyola suffers because there is naught but an old, tiny chapel.

May the Memorial Chapel of Our Lady of Evergreen soon be reared, and may the other buildings of the greater Loyola College quickly rise thereafter. The blessings that will flow from Our Lady's Chapel will expedite the erection of buildings for the material needs.

Can This Hold 1,000 Students?

Father Ayd Recalls History Of Present Loyola Student Chapel

This Chapel was formerly the German Reformed Church called "St. John's" at Mt. Washington. Pastor—Reverend Elias Reiner. It was erected in 1855.

In 1867 the Sisters of Mercy bought their present property at the Shrine of the Sacred Heart. In the property of what is now called Mt. Washington, including a part of the same year, Archbishop Spaulding purchased for the Diocese the lower part of that property bordering on the stream. Therefore, from 1867 this Chapel with transepts which had been removed, was used as the church of the Shrine of the Sacred Heart and was the parish church until 1917.

In 1917 the present church of the Shrine of the Sacred Heart was completed by Reverend Francis Edward Craig, and used as the parish church. The former church, which is now the College Chapel, was used as a parish hall.

In 1923 Father Philip Finegan, S.J., the Dean of the College at Evergreen and a close friend of Father Craig, the Pastor of the Shrine of the Sacred Heart, received this church as a present. He had it transported to Evergreen, without the transepts, and placed on its present site. The structure was thoroughly renovated, new windows were put in. Those windows on the right commemorating the former Jesuits who had recently died and those on the left commemorating those who had died in World War I. These windows and the altar were purchased from donations collected by the College students at that time.

Note: The first Pastor of the Shrine of the Sacred Heart at Mt. Washington was Reverend James Duggan who was a curate at St. Mary's Church, Homeland. Therefore it was but a mission of that parish. He resided at St. Mary's.

The first Pastor was the Reverend Theodore Meade. Father Craig became pastor in 1915 succeeding Father Peter Tarro who, though not a sulpcian was Professor of History at St. Mary's Seminary.

A Few Facts

1. The present Student Chapel is 93 years old.
2. It holds approximately 120 persons.
3. It cannot accommodate more than 1/9 of the Student Body at the same time.
4. It is an all wood structure.
5. It should have been laid to an honorable rest fifty years ago.

Thought For The Day

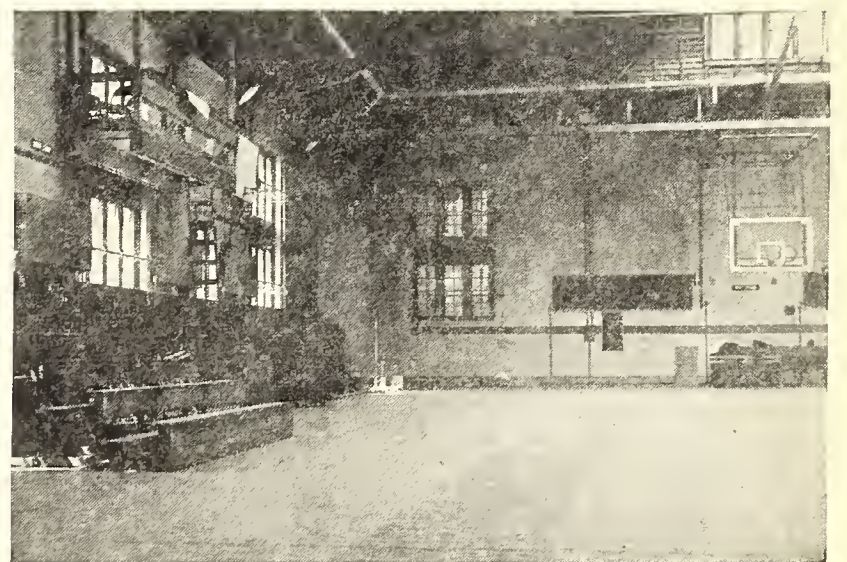

Since Loyola has been at Evergreen, it has never enjoyed the advantages of a permanent or suitable Chapel. This is a golden opportunity to correct a situation which should never exist in a college such as Loyola. Let's all work today so that tomorrow all may benefit.

For Extra Copies

This special four page supplement issue of THE GREYHOUND was prepared by the Staff as its special contribution towards the success of the Student Chapel Drive.

Those who may desire extra copies can procure them in THE GREYHOUND office or from the Chapel Publicity Committee.

Does This Look Like A Chapel To You?

A Building Of Many Maladies

Support The Chapel Drive For the Following Good Reasons:

1. We need a Chapel to banish the unhappy plague of aching backs which we suffer when the Retreats are held in the gym.
2. We need a chapel to eliminate forever the bruised kneecaps which we suffer after every First Friday devotion.

This Is Future

Our Lady's Chapel Of Evergreen

Pictured above is the artist's drawing of the Memorial Chapel To Loyola's Service Alumni, both living and dead. It will be situated on the high point of the campus above the intersection of Charles Street and Cold Spring Lane.

A Partial List of the Furnishings to be Donated by the Loyola College Students of 1947-48 to the Sanctuary and Sacristy of the Memorial Chapel Of Our Lady of Evergreen

The furnishings for the Sanctuary and Sacristy of the Memorial Chapel of Our Lady of Evergreen will include the following articles required for Divine Services:

1. Tester and Dossal for the Main Altar.
2. Candlesticks: 6 Canonical for Main Altar, 14 for Main and Side Altars, Branch Candlesticks for Benediction, etc.
3. Processional Cross, Censor, Incense Boat, Holy Water Fonts, etc.
4. Sanctuary Chairs, Credence Tables, Chairs, Prie Dieus, etc.
5. Vestments: 7 sets for Main Altar, 20 sets for Side Altars; Albs, Surplices, Amices, etc.
6. Missals, Missal Stands, Altar Linens, etc., for four altars.
7. Sacristy: Vestment Cases and Cabinets. Sacrarium, Crucifix, etc.
8. Pulpit.

The cost of these furnishings was estimated at \$9000.00 in 1946. Present estimates would be approximately 15% higher.

Students Will Furnish Needs Of Sanctuary

The proceeds from the ten Thousand dollar student chapel drive now in progress at Loyola will be used to furnish both the Memorial Chapel sanctuary and sacristy.

In the sacristy itself, a tablet will be erected which will commemorate the zeal and cooperation of the students in this drive. This tablet will be placed on the wall of the sacristy near the place where the priest vests for Mass. While vesting, the celebrant will be reminded of the generosity of the past students so that they may be remembered in the prayers of the Mass.

To Donate Dossal

Among the articles which will be purchased are the Testers and Dossal for the main altar as well as the Candlesticks.

Six canonical candlesticks will be purchased for the main altar, and fourteen for the main and side altars.

Vestments Included

Twenty-seven sets of vestments will also be purchased. This includes seven sets for the main altar and twenty for the side altars.

The processional cross, censor, incense boat and holy water fonts are among the other articles to be purchased.

All necessary sacristy cabinets and cases along with sanctuary chairs and credence tables are also included.

In 1946, these articles were priced at \$9,000 but since that time there has been an increase of 15%.

What Are We Going To Have?

Architect Describes Memorial Chapel Plans

The description below is that of the Architect of the Loyola College Memorial Chapel. Students are urged to familiarize themselves with the general details of the Chapel so that they will be able to give a description of it should they be asked by potential subscribers to the Fund.

The Memorial Chapel of Our Lady of Evergreen will be situated on the high point of the campus, above the intersection of Charles Street and Cold Spring Lane. It will be in a modified English Gothic Style of design. The length of the building will be 140 feet, the width 77 feet. It will be crucible in shape. The exterior walls will be of seam-face granite, a most interesting and appropriate material in a building of this style, particularly, because it lends itself better to details and has a splendid warmth.

The windows of the Chapel will be mostly of the lancet type, consisting of the great front window, the two large transept windows, and the clerestory windows. The chancel will have an appropriate rose window. The Chapel, at the crossing, will have an inspiring French fleche of metal. The extreme will be broken up by confession bays, memorial shrine, etc.

The interior of the Chapel floor will have a seating capacity of 625. The choir will be in the gallery over the narthex. The chancel will have a main altar of approved liturgical style. There will be two side altars within the chancel. There will also be an oratory or private chapel. The floors will be of suitable material, determined by the cost and the accessibility. The ceiling will be simple copper with wood members. The walls will be a combination of stone and plaster. The plans for the Chapel contain all the necessary exits required by the stringent building laws of Baltimore.

The basement, which is partly below ground, will consist of a much needed auditorium, with a seating of about 550. In addition to its use as an auditorium, this space will be partitioned for class-room purposes, folding partitions being used. The basement will be of sufficient height for auditorium and class-room purposes. There will be proper lighting and ventilation for an area of this size.

LOYOLA COLLEGE Memorial Chapel Fund

Financial Statement as of December 31, 1947

I. Subscription Account

Pledges of General Contributions, 1946-9	\$166,967.86
Pledges for Specified Purposes, 1946-9	72,250.00

What You Can Specify:

- Fixtures
- Stained Glass Windows
- Confessionals

In answer to the appeal of Father Bunn a great number of specific gifts have been made to the Memorial Chapel of Our Lady of Evergreen. Among these gifts have been altars, stained glass windows and the like.

There are still a great number of specified gifts for which donations are sought. Among these may be listed:

1. *Stained Glass Windows*
Sanctuary—1 South Wall\$ 2,500.00
Transept —1 East Wall of South Transept 1,500.00
 1 East Wall of North Transept 1,500.00
 1 small East Window low down 150.00
Nave —6 Large Windows @ 2,500.000 15,000.00
 4 Small, Aisle, @ 150.00 600.00
(These estimates were made in 1946. The costs are now higher.)
2. Confessionals 2,000.00
3. Pew Seats 7,500.00
4. Lighting Fixtures for entire Chapel 4,500.00
5. The Cohn Auditorium furnishings. These would include: Stage, chairs, lighting fixtures, decorations. The estimated cost would be a minimum of 25,000.00
